# ELECTRICAL CONTROL CABINET MANUFACTURING

Makron manufactures electrical control cabinets to complete your technology and processes. Our flexible production can provide customer-specific deliveries. We are UL 508A and UL-CSA C22.2 certified manufacturer. We efficiently manufacture cabinets according to your specifications and also install them with short lead times.

## What Makron does

Our electrical control cabinet manufacturing covers a wide range of products and industrial applications. We have the know-how to deliver cabinets based on your own electrical planning, or designed by our skilled electrical engineers. Makron has UL 508A and UL-CSA C22.2 certifications. Our typical customers are machine builders, project suppliers, industrial plants and marine industry suppliers. Makron's services include installing and testing your software.
