

MAKRON

Installation and Lifecycle Services

SERVICE AGREEMENTS

INSTALLATION AND LIFECYCLE SERVICES

A wide range of installation and lifecycle services for your industry processes and machinery.

At Makron, we want to serve you through the lifetime of your production or industrial processes. Our lifecycle services cover both industrial automation and mechanics. We aim to ensure that your production runs smoothly with the minimum possible downtime. We offer you industrial lifecycle services from installation and commissioning to maintenance and spare part deliveries, either as a whole or as individual services. Modernization prolongs the lifecycle of the production line. We aim to maintain your productivity, safety, environmental friendliness and efficient operation.

SERVICE AGREEMENTS

We offer various service packages to keep you running. Whether you need a continuous long-term partnership or fixed services, we are here for you. Both our continuous and fixed service agreements can include all the Makron lifecycle services described here, based on your needs.

What Makron does

Your service package can include all the maintenance needed 24/7 or just specific fixed services. In addition to maintaining your process or production lines, we also aim to improve your productivity and operational reliability.

Products & expertise

- Continuous service agreements
- Fixed services
